

**DHANBAD PUBLIC SCHOOL**  
**P.O-K.G. ASHRAM, GOVINDPUR ROAD**  
**DHANBAD**

Dhanbad Public School celebrated **World Water Day** on 22<sup>nd</sup> March 2021.

Water is one of the important components of life. The rapid pace of irrigation growth, urbanisation & industrialization has led to water scarcity in many regions of the country.

Hence, Dhanbad Public School endeavours to sensitize the stake holders of the future about conserving the elixir of life- **WATER** by celebrating the academic session 2021-2022 as **Water Conservation Year**.

Our children have been the pioneers in spreading the positive message – SAVE WATER, SAVE LIFE.

Now, the school ardently urges the parents to share videos consisting of good practices adopted by them to save water.

**Every drop of water matters.**  
**Save this treasure with pleasure.**
